REFER TO THE YOUTH BEEF PAGE FOR SPECIFIC INFORMATION

REFER TO GENERAL LIVESTOCK RULES FOR SPECIFIC INFORMATION

ENTRY INSTRUCTIONS: You will register online. Complete the entry form and pay online. Please also bring your cattle's registration papers with you to the fair. They will be examined when you check-in at the Jacksonville Fair.

Separate shows will be held for each breed with a minimum of 10 head per breed or 3 exhibitors.

PARKING: Exhibitors participating in the Open and Youth Cattle Shows will be given parking passes for Exhibitor Lot parking. Exhibitors must display a valid parking pass to park in this lot.

PASSES: Gate passes will be issued on the following basis. 1-6 animals, six (6) daily admission tickets and one Exhibitor Lot parking pass, 7-12 animals, nine (9) daily admission tickets and two Exhibitor Lot parking passes, 13 and over animals, twelve (12) daily admission tickets and two Exhibitor Lot parking passes. No additional parking or admission passes will be given if showing in the Youth Show as well.

NOTE: An admission ticket will be for a single day. Be sure to utilize your tickets to cover every day you are at the fair. There will be no additional tickets issued. If additional tickets are required, you may purchase them for half price ($5.00) from the Livestock Office or the Administration Office. Additional tickets may also be bought online for half price before the fair opens.

FDACS Cattle Movement Requirements:

https://www.fdacs.gov/Agriculture-Industry/Livestock/Animal-Movement/Cattle-Movement-Requirements-Including-Bison

NOTICE: In the case of papers pending, it is the responsibility of the exhibitor to provide the Jacksonville Fair with a letter from the breed association stating that the papers on their animal have been applied for but have not yet been processed. Papers pending will not be accepted without this letter from the association.

International Brangus Breeders Association

Show Rules for Brangus, Red Brangus, & Ultra Shows

Updated April 2026

Mission Statement

The IBBA seeks to provide and support livestock shows and exhibitions that promote all recognized and registered Brangus, Red Brangus and Ultra cattle (collectively Brangus) of our association. The objective of our shows is to provide a fair and collaborative forum where IBBA

members may display their cattle, market their Brangus ranches and practice ethical Herdsmanship.

The following rules and guidelines apply to all IBBA sanctioned and sponsored shows. All IBBA and IJBBA members will abide by the show rules as adopted and posted online at gobrangus.com, regardless of any show premium book. In addition, any show, fair, event, or display in which Brangus, Red Brangus, UltraBlack, or UltraRed cattle participate should follow these rules as adopted by IBBA. All entries are subject to the provision of a rule established by the IBBA.

Eligibility

1. The owner(s) of record on all animals entered in an IBBA National or Regional point show must be an active member(s) of the IBBA in good standing.

2. Animals must be registered Brangus, Red Brangus, UltraBlack, or UltraRed with the International Brangus Breeders Association (IBBA) to be eligible to compete in an IBBA-sponsored show. Animals recorded in the IBBA Appendix registry are ineligible to show.

3. UltraBlacks and UltraReds must show separately from Brangus and Red Brangus, with the exception of calves shown at the side of their dams in both the Female and Cow Calf show. The registration prefix of the dam determines the classification of the pair.

4. All calves exhibited at the side of the female must be registered with the IBBA and meet all rules required for show eligibility and inspections of exhibits (refer to Rule 9.a.). The registration prefix of the dam determines the classification of the pair.

5. Animals eligible to be shown in group classes must be entered and shown in respective individual classes. Cows exhibited in the cow/calf classes are not eligible for the group classes.

Animal Identification

6. The registration certificate (or photocopy) for each entry must be available for presentation to the Superintendent or show manager at the time entries are verified prior to judging. Digital images and herd book data sheets will not be accepted.

7. Once an animal's identification has been verified by visual inspection of a brand or ear tattoo, it's registration papers will be stamped with seal of the IBBA with the date of the inspection. In future shows, this registration certificate with the seal will need to be presented at check in for identification purposes only. If this registration certificate is presented with the seal of the IBBA, the additional inspection of a brand or ear tattoo is not required. If a new or unstamped certificate is presented, the animal's identification must be verified again before a stamped is received again.

Any animal is subject to recheck by the IBBA Ethics Committee at any show at any time.

8. Electronic Identification Devices (EIDs) will be accepted for IBBA Show Check-In provided the EID number is uploaded to the IBBA registration system prior to check-in. All animals must also have permanent identification consisting of ear tattoo or brand. EIDs will be scanned at check-in for verification. Animals with a recorded and verified EID and completed DNA parentage verification will have registration papers stamped with the official IBBA verification. The IBBA Show Committee and/or Ethics Committee reserve the right to verify tattoo and brand identification at any time.

9. Any animal upon check in which does not have a legible tattoo or brand corresponding to its registration certificate is ineligible to show. An animal may be tattooed immediately at a show for reinspection.

Parent Verification

10. All animals are required to have completed parent, both sire and dam, verification on file at IBBA prior to the show check-in. If an animal does not have DNA parent verification completed at that time, they will be ineligible to show. DNA parent verification is defined as having submitted DNA samples per the IBBA DNA testing process of the animals being entered, their sire and their dam, and then having the show animal's genotype match to that of both parents as determined by the IBBA.

a. If the calf at side is over 90 days of age by the date of show check-in, it must have parent verification completed by show check-in. If it is under 90 days, parent verification of the calf is not required.

b. Cows in the cow/calf pair classes are exempt from the parent verification requirement if they are born prior to September 1, 2016.

11. IBBA reserves the right to collect DNA samples at any IBBA-sanctioned show. Collection will be conducted by random draw for retesting of parentage at the association's expense. At the six national IBBA-sanctioned shows, three random samples will be collected from Brangus and UltraBlack entries and three random samples will be collected from Red Brangus and UltraRed entries. An animal found to not match the stated pedigree must resolve the question before it is allowed to show again.

Physical Inspection and Eligibility

12. Prior to check-in, heads of exhibited animals must be clipped of all hair, including topknots and be free of scurs and/or slick spots. Animals not in compliance at check in will be required to comply before check in is complete, or they will not be allowed to show.

13. Any animal found to have scurs and/or slick spots; or evidence of incisions, surgical or otherwise, in the following areas: head, testicles, sheath, navel, or dewlap; including scars from caesarean sections, will be disqualified from showing. They shall be disqualified at the show where the violation is determined and all future IBBA sponsored and sanctioned shows. A veterinary statement of purpose or cause will not be accepted.

14. Animals with illegal white (defined as white in front of the naval) or any indication of brindling (a color pattern characterized by red streaks mingled with black), or red animals with any unacceptable coloring (according to the IBBA Red High Color Scale – available at gobrangus.com – and including Brown, Grey, Yellow, Light to White, White Legs or Black Muzzle) are ineligible for show at the show in which the color issue is found. The animal is eligible for inspection at future shows.

15. No animal may be shown that has been pumped with any amount of liquid at any time once the animal enters the grounds of a show. The official show veterinarian may administer liquids orally, if so needed, without disqualifying animal(s) from exhibition.

a. A protest of this violation must be submitted per the Violation Policy

b. Penalty: The fitter and ranch entity involved with an animal being artificially filled will be banned from the show ring for one year and the animal will be disqualified from exhibition at that particular show.

16. All entries may be classified for judging on an age basis and should be entered in class according to age. All cattle 18 months (550 days) of age and younger are subject to dental inspection by random check or official protest. Protests can be made at any IBBA show or facilitated by a ranch visit by IBBA Field service representatives. Upon inspection by the ethics committee or IBBA field service representative, photographs of teeth will be taken along with the animal private herd number (tattoo or brand). The photographs will be submitted to a panel of 3 qualified independent specialists that are USDA certified and an accredited veterinarian for final decision. Animals will not be deemed ineligible until the official decisions from the 3 qualified independent specialists is returned to the IBBA. Cattle 18 months (550 days) of age and younger that are inspected and found to have the eruption of ADULT incisors will be subject to disqualification from any IBBA sponsored show. Points accumulated for the present show year by the falsely aged animal will be removed from the SHOW ANIMAL STANDINGS LIST, and that animal will be in eligible for awards.

Fitting and Presentation

17. Animals unethically fitted to alter the conformation or appearance of the animal, as determined by the appointed IBBA Ethics Committee or IBBA Staff, will be immediately disqualified at the show in which the violation occurred. This includes:

a. No animal may be shown that has had any foreign objects, glued to or otherwise attached in a manner so as to alter its conformation or change its appearance.

18. All bulls must have a nose ring or nose restraint with the lead attached at all times, with the exception of being tied in the stalls and tie outs. This includes but is not limited to being in the show ring and during check in. The nose lead/nose restraint must be an additional lead and not part of the

halter. For example, running the lead of the halter through the nose ring as the restraint is not within guidelines. Bulls 250 days and younger are exempt from this requirement.

19. Unruly animals that cannot be kept under control will be disqualified at the said show. If an animal breaks away from its handlers three times, they will be dismissed from the show ring and not eligible to show at that particular show.

Fertility and Performance Requirements

20. All Brangus bulls 18 months of age or older that are exhibited at IBBA sponsored shows must have passed a fertility examination given by a non-owner licensed veterinarian or a non-owner certified technician to the standards of the Society of Theriology to be eligible to show. The results of the examination must be available at check-in. Once a bull has a positive examination, retesting is not required.

21. All females 20 months of age or older exhibited at IBBA sanctioned shows, must have available at the time of check-in, a certificate of pregnancy issued by an accredited non-owner veterinarian, non-owner certified professional or blood test results certificate. If a blood tests results certificate is provided, it must be blood collected by a non-owner veterinarian or non-owner certified professional, and documented. Females showing in the Senior Heifer

Division of Spring Shows (January 1 through May 31) must adhere to the classifications and have an IBBA registered natural calf, not older than 250 days of age on show date.

Show Rules Violation Policy and Penalties

23. The IBBA and its representative have the authority to request and require such tests as they deem necessary to verify the accuracy of the classification, pedigree of exhibited animals and enforce all show rules as adopted by the IBBA. IBBA representatives shall include the appointed Ethics Committee at each show. A decision by the Ethics Committee and/or the IBBA representative shall stand at the show in which it is made.

24. Owners are responsible for any infraction committed by a non-member or anyone employed or contracted by the owner.

25. A valid show rules violation complaint must be accompanied by a written statement describing the violation, the perpetrator of the violation, and signed by an active member of the IBBA. This written complaint will be presented to an Ethics Committee consisting of the Chairman of the Show Committee and the three person Ethics Committee that has been previously appointed for the show where the complaint is presented. All four people will be current members of the Show Committee.

26. The Ethics Committee shall rule on the validity of the rule violation. The Ethics Committee shall visit with the perpetrator, present the written complaint, and make a ruling on the complaint if valid. The penalty will be applied according to each stated rule above.

27. The perpetrator is entitled to appeal any decision made by an IBBA representative, Ethics Committee, a veterinarian, certified industry professional or designated association representatives to the IBBA Board of Directors. The following requirements must be met: 1) the appeal is in writing and is signed by the appealing party; and 2) the appealing party files the written appeal with the IBBA Board of Directors as soon as possible after the decision is rendered however, the ruling will stand at the show in which the violation occurred. If the IBBA Board of Directors over turns the ruling of the Show Committee Ethics Committee, the exhibitor and or animal in question will be allowed to return to future shows. The IBBA Board of Directors has the right to disqualify the perpetrator from the IBBA approved show after hearing an appeal. The IBBA's Board of Directors decision is final.

28. Entries that have not complied with all of the above rules will not be eligible to show, to receive premium monies, or earn points in the IBBA's Show Sire of the Year, Show Dam of the Year, Show Bull of the Year, Show Heifer of the Year and Show Cow Calf Pair awards.

29. For and in consideration of the opportunity to participate in any function each exhibitor hereby releases the Association, its officers, directors and representatives from negligence, any and all claims, suits, and judgments past, present, or future, arising from or connected with the administration or use of such test or examination and the resulting decision there from.

Presentation of Classes for International Brangus & Red Brangus Shows

30. All classes with single entries will be shown. All single entries will go into the ring. No single entries will be held until the division.

An IBBA National Point show shall be conducted in the order described below. Regional and non-Point Show may choose to conduct a show in a difference manner.

IBBA National Point Show class order:

· Brangus Cow Calf Pairs

· Red Brangus Cow Calf Pairs

· Ultra Cow Calf Pairs

· Brangus and Red Brangus Females (alternating divisions)

· Ultra Females

· Brangus and Red Brangus Bulls (alternating divisions)

· Ultra Bulls

· Brangus Group Classes

· Red Brangus Group Classes

· Ultra Group Classes

In class, cattle will enter the ring youngest to oldest

INTERNATIONAL BRANGUS BREEDERS ASSOCIATION BRANGUS, RED BRANGUS & ULTRA SHOWS FALL CLASSIFICATIONS FOR OPEN SHOWS Held August 1, 2026 through December 31, 2026

COW-CALF PAIRS
1. *Cow/Calf Pairs Cows born January 1, 2024 to August 31, 2024
2. *Cow/Calf Pairs Cows born December 31, 2023 and older

3. GRAND CHAMPION COW/CALF
4. RESERVE GRAND CHAMPION COW/CALF

*Entries in classes 1 & 2 MUST have a calf at side. Calves must be IBBA registered natural calves, not older than 250 days of age on show date.

FEMALES
5. Spring Heifer Calves Born March 1, 2026 and after
6. Junior Heifer Calves Born January 1 to February 28, 2026

7. JUNIOR HEIFER CALF CHAMPION
8. RESERVE JUNIOR HEIFER CALF CHAMPION

9. Winter Heifer Calves Born November 1 to December 31, 2025
10. Senior Heifer Calves Born September 1 to October 31, 2025

11. SENIOR HEIFER CALF CHAMPION
12. RESERVE SENIOR HEIFER CALF CHAMPION

13. Late Summer Yearling Heifers Born July 1 to August 31, 2025

14. Early Summer Yearling Heifers Born May 1 to June 30, 2025

15. SUMMER CHAMPION HEIFER
16. RESERVE SUMMER CHAMPION HEIFER

17. Spring Yearling Heifers Born March 1 to April 30, 2025
18. Junior Yearling Heifers Born January 1 to February 28, 2025

19. JUNIOR CHAMPION HEIFER
20. RESERVE JUNIOR CHAMPION HEIFER

21. Late Senior Yearling Heifers Born November 1 to December 31, 2024
22. Early Senior Yearling Heifers Born September 1 to October 31, 2023
